

The Decorative Thread Experience Machine quilting with Melody Crust
One day workshop, Machine quilting experience helpful, Technique: Sewing
Machine required

Thread may have once been considered just a basic necessity of sewing, but happily it's now available in so many luscious colors and types that it has become sheer pleasure to use. Steering your way through the sea of threads available can be a time consuming and somewhat daunting task. Melody will guide you through the learning process so your sewing will become fun and fancy.
