

**A Fine Line: Creating the Quilting Design** with Melody Crust

*One or two day workshop*

*All skill levels, Design*

Do you have a project that could use help with the “what, why & how” of quilting? Discover the elements of winning quilting designs and how to apply them to your tops. We will explore whether to hand or machine quilt, selecting, fitting and marking quilting design, all about thread, and the basics of batting and basting. The emphasis of this workshop is the creative use of the quilted line. Learn to successfully finish all your projects. This informative workshop is for both traditional and non-traditional quilters. ([A Fine Line: Techniques and Inspirations for Creating the Quilting Design](#)).
